

# CAPS Kingston Cruise March 21-22, 2009

First cruise of the season, six boats in attendance; Auntie Beryl, Castlewellan, Branwen, Echo, Sea Sea Rider, Seaquel, plus many who arrived via ferry. Saturday gave us sun, albeit cool, but a great happy hour in the CAPS tradition! Sunday brought winds and a few spots of precipitation. Great to get out on the water and air out those sails.
